

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application. Please cancel claims 7-8, 11 and 13-14 without prejudice.

LISTING OF CLAIMS:

Claims 1-8. (Canceled)

9. (Previously Presented) An image processing apparatus connectable to a photographing apparatus, comprising:

an interface for connecting said image processing apparatus to said photographing apparatus;

a display which can display a plurality of windows and function indicators based on data processed by said image processing apparatus, wherein one of said windows shows said photographing apparatus and an indicator for transmitting a power-off instruction to said photographing apparatus in order to turn off the power source of said photographing apparatus; and

a controller for minimizing the window showing said photographing apparatus when the power-off instruction has been transmitted from said indicator for turning off the power of said photographing apparatus.

10. (Original) The image processing apparatus according to claim 9, wherein said window displayed on said display is closed when said photographing apparatus is disconnected from said image processing apparatus.

Claims 11-14 (Canceled).

15. (Previously Presented) The image processing apparatus of claim 9, wherein said one window displays multiple components of said photographing apparatus, and the minimized window comprises an iconic representation of said photographing apparatus.
